**Employees Earning in Excess of £100,000**

In line with Department for Education requirements, the school is required to publish details of how many employees have gross earnings in excess of £100,000.

I can confirm that in the financial year ended 31/3/26, one employee had earnings which fell within the remuneration band £110,000 to £119,999.

This information will be updated on an annual basis.
